**on its termination of cooperation with**  
**International Congress of industrialists and entrepreneurs (ICIE)**

In the light of the unprovoked, brutal and immoral war against Ukraine, launched by the Russian Federation with the close assistance of the Republic of Belarus and due to the fact that the ICIE did not show any signs of protest against military aggression, the Employers' Confederation of Latvia (LDDK) hereby inform about its decision to terminate cooperation with International Congress of industrialists and entrepreneurs (ICIE).

Employers' Confederation of Latvia (LDDK) expresses its solidarity and support to the people of Ukraine in this difficult time of a brutal, massive invasion of Ukraine. LDDK and its members provide all possible support and assistance to Ukraine counterparts and the people of Ukraine.
